“Permalaser is dedicated to enhancing our clients’ sense of well-being”

Step into Spring with Revitalized Glowing Skin!

“Shouldn’t your skin be the best that it can be on your very special day?”

Your wedding is fast approaching; you realized that your skin is not glowing as much as it should; or there are unwanted hairs that you wish would disappear. What to do?

Permalaser addresses the needs of *your skin* with highly effective ingredients designed to make your skin glow! For dry sensitive skin, hyperpigmentation, oil-acne prone skin, wrinkles and redness relief! Go ahead! You deserve it!

A series of Photofacials using the advanced ELOS technology will remove unwanted blemishes, even the skin tone and tighten the skin. Combine this treatment with our famous Beverly Hill Peel and you are already on your way to a fresh new look! With our line of specialty products, you

Step into Spring with revitalized glowing skin! on page 2

Show Your Personality!

Today, it is so much easier to have the look that you desire!

From better skin tone, hair removal, to wrinkle reducers and tissue fillers, Permalaser offers you a wide selection of services!

All of course in complete confidentiality. ***It’s time to get healthy! Do the same for your skin!*** With spring just around the corner, it’s time to renew ourselves and show our personality! Glowing, vivacious, spontaneous and playful, that is all everyone wants to be!

Visit Permalaser today for a free consultation on anyone of our services.

Hair Laser Removal, Skin Care, Skin Rejuvenation, Lip Augmentation, Age Spot Removals, Wrinkle Reducers right down to Rosacea and Hyperpigmentation we do it all with high end equipment and qualified personnel. Your confidentiality and satisfaction is our goal.

Visit us today or call us at 514-731-1545 to schedule an appointment which is convenient for you!
